Diploma acreditativo

➤ OBJETIVO:

Este curso intensivo totalmente gratuito te prepararás para el examen B2 a través de clases impartidas por profesorado cualificado. Además, obtendrás consejos e información sobre las técnicas del examen. Tendrás la oportunidad de preparar cada una de las partes de las pruebas: comprensión escrita, expresión escrita, comprensión y expresión orales.

➤ SALIDAS PROFESIONALES

Dominar el inglés a un nivel avanzado y prepararte para comunicarte con confianza en cualquier entorno profesional y personal. Nuestro curso te ofrece las herramientas necesarias para mejorar tu fluidez, comprensión y expresión oral y escrita. Ideal para aquellos que buscan expandir sus horizontes y destacar en un mundo globalizado.

PROGRAMA:

FORMACIÓN TRONCAL: 60 HORAS

Linguistic Skills

1. Reading Comprehension

- Identify main ideas and specific details in narrative and informative texts.
- Recognize the author's intent in texts such as emails, articles, or descriptions.
- Develop inference strategies based on context clues.

2. Writing Skills

- Write informal emails using clear structures and appropriate register.
- Use basic connectors and contrast linkers in coherent paragraphs.
- Employ a varied vocabulary to express opinions, descriptions, and personal experiences.

3. Listening Comprehension

- Understand general and specific information in short audio recordings.
- Identify tone, attitudes, and opinions in conversations.
- Familiarize yourself with different English accents and speech rhythms.

4. Speaking Skills

- Formulate and respond to personal questions.
- Interact in basic interviews, express opinions, and share experiences.
- Participate in simple collaborative tasks and manage turn-taking.

5. Grammar and Use of English

- Consolidate essential structures: present simple/continuous, past simple, comparatives, present perfect, articles, passive voice.
- Work on cloze exercises, word formation, and phrasal verbs.
- Expand grammatical range with verb patterns, adjectives/adverbs, and more advanced tenses.

6. Vocabulary

- General topics such as leisure, family, money, food, and nature.
- Practice of common phrasal verbs.
- Word formation: prefixes, suffixes, compound words.

Personal Skills

1. Effective Communication

- Participate actively in dialogues, adapting language to informal situations.

- Practice active listening and respond naturally.

2. Critical Thinking

- Compare and contrast ideas or options.
- Express arguments clearly and logically in writing tasks.

3. Collaboration

- Work in teams during oral tasks.
- Negotiate meaning and build joint responses.

4. Learner Autonomy

- Reflect on common grammar and vocabulary mistakes.
- Use strategies to expand vocabulary and revise structures independently.

5. Creativity

- Produce original written texts and spoken contributions.
- Express opinions and share experiences in an engaging and structured way
